Re: Roger Cleveland Golf Company, Inc.

Dear Mr. Allen:

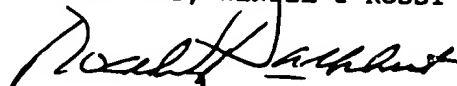

We represent Roger Cleveland Golf Company, Inc., from whom we received your letter of September 11, 1992 (addressed to "Cleveland Classics Golf Co., Inc.") which included a copy of a U.S. patent application referenced "Allen, Serial No. 07/882,561 "

While you did not enclose a copy of the claims of that patent application, your letter indicated that you are attempting to claim the feature of the offset hosel design shown in Fig. 3. In that regard, please see U.S. Design Patent Nos. 298,269 and 285,473, copies enclosed.

There presently is no indication that the Allen patent application will issue with any claims which would cover the Cleveland 792 VAS irons.

Very truly yours,

PARKHURST, WENDEL & ROSSI
